

# Conservation at Cosley Zoo

The **Barn Owl** is an endangered species in Illinois due to decline in its food supply and available nesting sites. Cosley Zoo is working with local wildlife centers to raise and release Barn Owls in hopes of increasing the wild population. By supporting Cosley Zoo, you can help these beautiful birds make a comeback!

Cosley Zoo • 1356 Gary Ave. • Wheaton, IL 60187 • 630.665.5534 • [www.cosleyzoo.org](http://www.cosleyzoo.org)

Cosley Zoo is a facility of the Wheaton Park District.
